A note from our treasurer...

Over the past year and a half, only 7 times have total receipts been greater than total expenses. So the expenses have been slowly eating away at our reserve funds. Then 2 large undertakings (handicap parking and the north parking lot) completely depleted them. We now are dependent each month on offerings alone. And the trend continues with total expenses being higher than total receipts. With no easy solutions to lowering expenses, I personally feel led to giving a tithe and a half to boost receipts. I love my church and my church family and want to do what I can to help.

Brenda Matthews, Treasurer

Sermon Notes:

Question of the Week: **What is that makes you most happy in life? (Be honest!)**

A few responses from last week's Question of the Week: **What's the scariest thing you've ever gone through? How did you get through it?**

"Diving is scary! I don't know how to explain it!"

"2 bad car accidents. It took awhile but eventually I drove again, just with extreme caution."
