Responses from last week's Question of the Week: **If God is love, can He hate? How?**

*"Of course. Wickedness."*

*"No, he is Love. The two cannot exist together."*

*"I think we often faultily think that love and hate are mutually exclusive. I mean, to accurately love someone you will hate certain things. I love my son. That means I hate when he's sick, I hate when he's in emotional pain. I hate when he's mistreated. I hate when he disobeys. I hate all that because I love him. If I didn't love him, I wouldn't care about those things."*
