

~ ~ ~ **WELCOME TO THE SECOND DAY OF VBS!!!** ~ ~ ~

Nehemiah 8:10b says, "This day is holy to our Lord. And do not be grieved, for the joy of the LORD is your strength." God wants you to have joy in Him, and through His joy, you can be strong!

*a note from Pastor Chris:*

Last week, we learned from Jonah that when we run from God, He pursues us, and that when we cry out to God, He hears us. Jonah 2:2 says, "In my distress I called to the LORD, and He answered me. From the depths of the grave I called for help, and you listened to my cry." Praise God for His unending love!
